**541-753-1043**

Timberhill Tennis Club Pro Shop has been in existence for the past 35 years. The shop is stocked with Babolat, Head, Prince and Wilson racquets, strings, grips, shoes and other accessories.

We feature a great DEMO program where members can try out racquets before they purchase one. Our stringing service is a one-day turn around.

We can also special order most products and have most of your needs for tennis goods.

Stop by and talk to Gary, he can fit you with the right gear to play your best.

The Pro hop is also open to the public.
