

# Summer 2017 Timberhill Junior Clinics

Session 1 - June 26 - July 14 (no class tuesday 7/4) • Session 2 - July 17 - August 4

Session 3 August 7 - August 25

The summer clinics will run in three sessions, each lasting three weeks. Classes will meet three times per week. If you're gone some of the weeks during the summer, you can attend any week you'd like for a \$40/week charge. Fee can be prorated for Mighty Mites if a student can only come once a week or only to the first or last half of a given session (this is what "half session" refers to), but this **must be arranged ahead of time**. Register by mailing the enclosed form.

*You do not need to be a member of Timberhill to participate in these clinics!*

**Mighty Mites:** This class is open to kids 5-8, and uses USTA "10 & Under Tennis" red balls on a 36' court to develop rally skills, court movement, and hand-eye coordination.

**Future Stars:** Kids age 9 and older, who are beginners or have had some previous instruction will learn better fundamentals, scoring, and become more consistent through drills and games. 60' courts and orange balls are used for quicker skill development and rally progression.

**Junior Champs:** Juniors with significant playing experience who are developing consistency, power, and competitive instincts will get more playing experience, more advanced drills, and introductions to spins and strategy in this class. Ages 10 - 14.

**Tournament Prep:** Intermediate to advanced middle school players will participate in this class, geared toward enhancing the skills needed to play at the varsity high school level. Focus will be on placement, spins, serving and strategy.

**Tennis 101:** High school players who have little experience and are just starting to learn the game will find what they need in this group--learning skills and building confidence among their peers. The goal will be to try to get all of these players qualified to play JV tennis for the high school teams.

**High School I (JV):** Incoming freshman players and JV players from the previous high school season will work on strategic, technical, and conditioning aspects of tennis that will push their games toward the varsity level.

**High School II (Varsity):** High school players with previous starting experience in singles or doubles will gain strength in all strokes through drills, games, and competition. Focus is on strategy and competitive skills, including physical conditioning and mental toughness.

## Mondays & Wednesdays

10:00am - 10:45am  
kids ages 5-8

## Tues, Wed, & Thurs
